2018 WIN Conference Program

Wednesday, April 11, 2018

1 – 9 pm
Conference Registration Open

Preconference Sessions

2 – 5 pm
Preconference: Building Collaborative Learning Environments
Presenting Agency/Organization: Oregon Health & Science University School of Nursing
Presenters: Marti Cleveland-Innes (International expert on CoI in higher education), Annette Garner, Michelle Hall, Glenise McKenzie
Description: The purpose of this workshop is to explore the application of a well-researched framework called Community of Inquiry (CoI). The framework is aimed at improving collaborative learning and teaching in blended and online courses.

Preconference: Building Infrastructure for the Translation of Research to Practice
Presenters: Annette Nasr, Jeannette O’Brien, Marie Driever, Mary Ellen Dellefield
Description: The purpose of this workshop is to discuss and learn about ways a nurse scientist/researcher, in collaboration with nurses and other health care providers, can support and advance nursing research and evidence-based practice (EBP) in a variety of clinical settings. A panel composed of 3-4 nurse scientists/researchers, all representing a variety of nursing roles and types of organizations, will share exemplars of EBP clinical practice projects. Strategies to overcome barriers and to support facilitators of EBP will also be presented.

Preconference: Designing an Engagement Plan to Promote Success in Community-Engaged and Patient-Centered Research: An Interactive, Tailored Workshop
Presenting Agency/Organization: Washington State University College of Nursing
Presenters: Julie Postma, PhD, RN, Associate Professor; Janet Katz, PhD, RN, FAAN Professor; Connie Kim Yen Nguyen-Truong, PhD, RN, PCCN, Assistant Professor and Community partner, Spokane Tribe of Indians
Description: The purpose of this interactive workshop is to promote success in community-engaged and patient-centered research by co-sharing expertise, resources, and real research experiences with community partners with each other.

THE FOLLOWING WORKSHOPS ARE FREE TO ALL CONFERENCE PARTICIPANTS.

5:15 – 5:45 pm
Moderating Podium Presentations at a Professional Conference: Nuts and Bolts
Presenters: TBA
Description: Being an effective moderator at a professional conference is crucial to the success of podium presentation sessions and to the overall conference. This session is offered to all WIN members who are interested in moderating at WIN conferences, and it is also appropriate for experienced moderators. The principles of being a good moderator will be covered, as will expectations of moderators, the dos and don’ts of moderating, and how to overcome difficulties during a session. Role play will help session attendees deal with some of the difficulties that may be encountered and develop effective problem-solving strategies. This session is offered free to conference attendees.
5:15 – 6 pm
Tricks and Trades of Writing an Abstract and Delivering a 10-Minute Presentation
**Presenters:** Katreena Merrill, RN, PhD, Assistant Professor, College of Nursing, Brigham Young University, Provo, UT; Annette Nasr, PhD, RN, Nurse Scientist, Lucile Packard Children’s Hospital Stanford, Palo Alto, CA
**Description:** Join us for tips on writing a compelling abstract and for delivering an effective presentation in just 10 minutes.

6 – 7:30 pm
Welcome Reception
**Description:** All conference participants are invited to attend this informal reception.

7 – 9 pm
Preconference: Mathematics Education and Nursing: Current Issues and Challenges
**Presenting Agency/Organization:** The Charles A. Dana Center at University of Texas at Austin and the Mathematical Association of America
**Description:** This workshop will provide an overview of the research regarding best practices for mathematics education of nursing students. Current research recommends an emphasis on contextualization, including both the learning and assessment environment, and teaching for conceptual understanding. Mathematical competency is essential for safe nursing practice, both in medication administration and in the evaluation of trends. Although many programs focus on the mathematical skills needed for calculating medication dosage, it is equally crucial for nursing students to develop the ability to interpret and analyze both mathematical and statistical information encountered in the contexts of research, patient data, and health care administration.

Thursday, April 12, 2018

7 am – 5:30 pm
Conference Registration Open

7 – 8 am
New Attendees Continental Breakfast
**Description:** Participants attending the conference for the first time are invited to this informal light continental breakfast. Members of the WIN Board and Program Committee will be available to meet informally, answer questions, and provide information on how to best navigate the conference.

Old Friends Continental Breakfast
**Description:** Participants who have attended past conferences are invited to reconnect with friends and network during this informal light continental breakfast.

Clinical Practice Networking
**Description:** All attendees from clinical settings are encouraged to attend this breakfast. Content will include networking and planning about ways clinical agencies and the Western Institute of Nursing can be co-supportive in goals for patient care. Staff nurses, clinical nurse leaders, advance practice nurses, nurse scientists, clinical educators, and any other clinicians are invited to enjoy this informal discussion about how we translate research to the bedside.

8:30 – 10 am
Opening Session
Presiding: Charlene “Charlie” Winters, PhD, RN, WIN President, Missoula, MT

Keynote Presentation
Evidence-Guided Transformation: Choosing Well
Speaker: Bobbie Berkowitz, PhD, RN, NEA-BC, FAAN, Dean and Mary O’Neil Mundinger Professor, Columbia University School of Nursing and Senior Vice President, Columbia University Medical Center, New York, NY

10 – 10:50 am
Refreshment Break and Networking

Using Twitter to Communicate the Impact of Nursing Science
Speakers: Jenny Carrick, Director for Strategic Marketing and Branding, Betty Irene Moore School of Nursing at UC Davis and a panel of three WIN member researchers
Description: This special session will provide an overview of Twitter and how it can be used by nurse researchers to communicate nursing science. Three panelists, who successfully use Twitter to communicate nursing research, will discuss their experience and findings. Q&A to follow.

11 am – 12 pm
Concurrent Session I

Call the Midwife

Psychometrics and External Validity of Fetal Movement Awareness Scale
Ira Kantrowitz-Gordon, Emma Cunningham*

Developing the Midwifery Practice Climate Scale: Model Misfit and Item Reduction
E. Brie Thumm

The Dual Burden of Severe Maternal Morbidity and Preterm Birth
Audrey Lyndon

Discussant
Facilitator TBD

Cancer Management through the Lifespan

Parents’ Report of Physical Symptoms in Young Children with Cancer
Sharifa Al-Qaaydeh, Lauri Linder

Vietnamese American Women’s Beliefs: Cervical Cancer, Screening, and the HPV Vaccine
Connie Kim Yen Nguyen-Truong, Kim Quy Vo Nguyen*

12:15 – 1:30 pm
Awards Luncheon

1 – 5 pm
Exhibits and Poster Session I

1:45 – 2:45 pm
State of the Science Address (Research)
Title: TBA
Moderator: Kathryn Lee, RN, PhD, FAAN, CBSM, WIN Governor Representative of Nursing Research, San Francisco, CA
Speaker: Usha Menon, PhD, RN, FAAN, Professor and Associate Dean for Research & Global Advances, The University of Arizona College of Nursing, Tucson, AZ

2:45 – 3:45 pm
Refreshment Break and Networking
Exhibits and Poster Viewing

NINR Session
Speaker: TBA
Description: TBA

Speed Networking for Clinicians and Researchers
Description: Are you a clinician with a clinical question that needs an evidence-based research answer(s) in order to improve your patient care? Are you a researcher with methodological skills in need of clinical expertise and access to a patient population? WIN will be offering a unique session where researchers and clinicians will have the opportunity to meet together and explore common interests. Like “speed dating,” this session will allow you to explore similar interests that might lead to a collaborative research study. Bring business cards to exchange!

3:45 - 5:15 pm
Concurrent Session II

Elder Care across the Continuum
Preparedness Assessment for the Transition Home after Stroke Psychometric Properties
Hospital-to-Home Bridge Interventions among Older Adults: A Systematic Review
Paige L. Burtson

Transitional Care Medical House Call: A Pilot Project
Ron Billano Ordona, Cara Gallegos

Federal Agencies Funding Panel
Moderator: Kathryn Lee, PhD, RN, FAAN, Governor Representative of Nursing Research, San Francisco, CA
Panelists: TBA

Symposium: Health and Health Care Experiences of Cancer Patients: What Can National Surveys Teach Us?
Moderator: Janice F. Bell, MN, MPH, PhD, Betty Irene Moore School of Nursing, UC Davis, Sacramento, CA

Overview: Health and Health Care Experiences of Cancer Patients: What Can Secondary Data Teach Us?
Janice F. Bell

Factors Influencing Out-of-Pocket Costs for Working Age Cancer Survivors
Brenda Achelpohl-Chagolla, Danica Loralyn Taylor*

Cancer Survivors Information-Seeking Experience
Cynthia G. Matsumoto, Adebola M. Olarewaju*

Communication Priorities among Patients with Advanced Cancer
Karen Marie de Sola-Smith, Janice F. Bell*

Discussant  
Kathryn Lee

5:30 – 6:30 pm

Associate Deans for Education  
**Moderator:** Joanne Noone, PhD, RN, CNE, ANEF, Governor Representative of Nursing Education, Ashland, OR  
**Description:** This special forum is for associate deans and directors of academic programs/affairs. The focus is on issues relevant to academic program quality, curriculum development/revision, accreditation, and student performance.

Associate Deans for Practice  
**Moderator:** Mary Ellen Dellefield, PhD, RN, Governor Representative of Nursing Practice, San Diego, CA  
**Description:** This special forum is for associate deans and directors of academic practice and community partnerships. The focus is on issues relevant to faculty practice quality, creative partnerships, and student clinical education.

Associate Deans for Research  
**Moderator:** Kathryn Lee, PhD, RN, FAAN, Governor Representative of Nursing Research, San Francisco, CA  
**Description:** This special forum is specifically for research deans/directors at research-intensive schools of nursing. The agenda is focused on issues relevant to these types of programs and faculty. Others are welcome as space permits.

Clinical Research Directors/Clinical Nurse Researchers/Nurse Scientists
**Moderator:** Annette Nasr, PhD, RN, Nurse Scientist, Lucile Packard Children’s Hospital Stanford, Palo Alto, CA  
**Description:** This special forum is for research directors, clinical researchers, and nurse scientists from clinical agencies. The focus is on issues relevant to clinical practice as they relate to research and evidence-based practice, Magnet destination, and applying research in the practice setting.

Deans and CNO’s Reception  
**Description:** This is an invitational meeting for the deans/directors and chief nursing officers of WIN organizational members to dialog informally with Charlie Winters, PhD, RN, President, and members of the WIN Board of Governors to find ways to improve member benefits.

6:30 – 8 pm  
School of Nursing Receptions

**Friday, April 13, 2018**

7 am – 8 pm  
Conference Registration Open

7 – 8 am  
Continental Breakfast

Breakfast for Student Attendees  
**Moderator:** Ruth Tadesse, RN, MS, PhD Student, Governor Representative of Student Members, Salt Lake City, UT  
**Description:** Students attending the WIN conference are invited to meet over breakfast to network and discuss ideas of importance in student experiences.

Western Academy of Nurses Business Meeting  
**Description:** Members of the Western Academy of Nurses are encouraged to attend the annual business meeting of WAN.

8 am – 12 pm  
Exhibits and Poster Session II

8:10 – 9:10 am  
WIN Membership Assembly  
**Presiding:** Charlene “Charlie” Winters, PhD, RN, WIN President, Missoula, MT  
**Description:** Members of the Western Institute of Nursing are encouraged to attend this annual business meeting.

9:20 – 10:20 am  
State of the Science Address (Education)  
What Would Florence Do? Survey Results of Selected Nursing Programs in Western States: Implications for the Future of Nursing Education  
**Moderator:** Joanne Noone, PhD, RN, CNE, ANEF, Governor Representative of Nursing Education, Ashland, OR  
**Speaker:** Carolyn Montoya, PhD, CPNP, FAANP, FAAN, Interim Dean, College of Nursing, University of New Mexico, Albuquerque, NM

6:30 – 8:00 pm
Friday Evening Activity/Reception
**Description:** TBA

**Saturday, April 14, 2018**

7 am – 4 pm
Conference Registration Open

7 – 8 am
Continental Breakfast

Annual Breakfast on the Use of Qualitative Methods in Health-Related Research
**Moderator:** Jennifer B. Averill, PhD, RN, Associate Professor of Nursing, University of New Mexico College of Nursing, Albuquerque, NM

**Description:** This breakfast session continues the annual practice of joining seasoned qualitative researchers with novice qualitative scholars (e.g., graduate students, new faculty members, interested others from organizations). The breakfast will apply a question/answer seminar on any aspect of
qualitative methods. Additionally, there will be opportunities to network and speak with others who share an interest in rigorous, effectively implemented qualitative methods.

Environmental Health and Nursing Group
**Moderators:** Elizabeth Schenk, PhD, MHI, RN-BC, Nurse Scientist, Providence St. Patrick Hospital, Missoula, MT; Charlene "Charlie" Winters, PhD, RN, Professor, Montana State University, College of Nursing, Missoula, MT
**Description:** This is a forum for environmental health researchers, educators, and advocates, and anyone interested in the relationships between the natural environment and health, and between nursing practice and the environment. This is a chance to learn of the interests of others and explore opportunities for collaboration. All conference attendees are welcome to attend the forum.

Integrative Health Connection at WIN
**Moderator:** Mary S. Koithan, PhD, RN, CNS-BC, FAAN, Associate Dean, Student Support and Community Engagement and Anne Furrow Professor, College of Nursing, The University of Arizona, Tucson, AZ
**Description:** Integrative Health (IH) is a whole person/whole system approach to health care that uses a full spectrum of strategies to improve health and wellbeing. In an integrative health approach to care, providers choose across a variety of evidence-informed choices that includes complementary/alternative modalities (CAM) as well as more traditional biomedical interventions. With the goal of choosing the best approach to care, IH is the ultimate interprofessional approach to care, drawing from a variety of practitioners, modalities and systems of medicine. WIN members with interest in research and education that has an IH focus are invited to creatively discuss how to support an integrative health presence at future research conferences through posters, presentations and symposiums.

Western Consortium on Women’s Health
**Moderators:** Nancy Fugate Woods, PhD, RN, FAAN, Professor, School of Nursing, University of Washington, Seattle, WA and Judith A. Berg, PhD, RN, WHNP-BC, FAAN, FAANP, Clinical Professor, College of Nursing, The University of Arizona, Tucson, AZ
**Description:** The purpose of this session is to continue a dialog that explores extending opportunities for women’s health research across the WIN region, creating opportunities for training the next generation of women’s health researchers, supporting efforts to include diverse populations of women from the region in studies, and creating networks enabling rapid response to emergent funding opportunities. The session will provide mutual support among investigators across the region, linking academic researchers to community partners for mutual benefit.

WIN Gerontology Special Interest Group
**Moderator:** Kimberly Shea
**Description:** This interest group is building a cadre of gerontological nurses to advance the mission of WIN in the context of improving care of the older adult. Participants will learn about resources for gerontological nursing practice, education, policy, and research, such as the National Hartford Center of Gerontological Nursing Excellence. Small group sessions will allow participants to network and discuss future collaborations in their interest areas.

WIN Membership Committee
**Description:** This is the quarterly meeting of the WIN Membership Committee.

8 am – 12 pm
Exhibits and Poster Session IV
