The Western Institute of Nursing (WIN) is seeking

DOCTORAL STUDENTS

**Applicant Qualifications:** PhD Doctoral Candidate

Candidate is a current WIN member
School is a WIN organizational member

**Important dates:** Application must be received online by: **December 15, 2019**
Funding awarded April 1st, 2020

**Background:** In conjunction with the Council for the Advancement of Nursing Science (CANS), WIN offers a $5,000 dissertation grant. For 2019-2020, two awards are planned. The purpose of the 1-year grant is to foster dissertation research. In recognition of additional expense associated with objective measures, the highest priority for this award is for bio-behavioral research, defined as studying the interaction of behavioral and biological processes, involving application of biological methods and ideas to the study of behavior, incorporating at least one laboratory, electrophysiologic, or imaging measure.

Applicants must have dissertation proposal approved by a doctoral committee, along with IRB/IACUC approval/determination. Detailed information about content and format of the proposal, review process and criteria, funding, acknowledgement, and reporting requirements can be found at: [https://www.winursing.org/wincans-dissertation-grant-criteria/](https://www.winursing.org/wincans-dissertation-grant-criteria/)
